

## J.T. Puppies Buyers Guarantee

AT Buyer's expense, buyer has 72 hours to have puppy examined by a licensed Veterinarian. Buyer then has 7 working days to send seller a statement from Veterinarian confirming the examination. Once seller receives statement, the puppy becomes guaranteed against any major congenital defect until one year of age. To prove that it was a congenital defect if the puppy should expire you will need to send the completed necropsy to my vet. However, if buyer fails to have the examination and/or send the statement in the allotted time, there will be NO guarantee whatsoever.

I do not guarantee my puppies against luxating patella, hernias, or illness brought on by the stress of moving (from my home to yours), shipping or motion sickness resulting from transportation. This stress can ignite illnesses such as hypoglycemia (sugar drop) or coccidian (dormant in most live animals), giardiasis, or any parasites what-so-ever.

It is our policy to replace a puppy, of our choosing, if a problem should occur, at No time do we issue refunds. Any shipping expenses for returning this puppy or sending a new puppy would be at the buyers' expense.

Buyer is responsible for all Veterinarian bills for this puppy.

The provisions of this guarantee shall be interpreted and construed in accordance with the laws and statutes of the state of Iowa. The venue for any litigation concerning this guarantee will be limited to Hamilton County, Iowa under a non-jury proceeding.

Buying a new puppy is going to take a lot of work and commitment. Buyer has thought this out and is certain he wants to take on the responsibilities of a new puppy. Seller will not pay back the cost of any puppy that the buyer decides he does not have time for or does not fit into his schedule or if it just does not work out for buyer to own this puppy, no exceptions. As a breeder I do become very attached to my puppies and want only the very best for them so I do ask that you do not take your puppy to a humane society or shelter but do return the puppy to me if for any reason you cannot keep him and I will re-home him and make sure he does get into a loving and caring home. We sincerely hope you will care for your new puppy with food, shelter, medical care and lots and lots of LOVE, and the puppy you purchased from J.T. Puppies turns into the best dog you ever had in your life and in the future when you add another loving pet to your family you do return to us. Thank You
